REGISTRATION PICTURES

We require (2) pictures per registration. Pictures can be sent in via email or via hardcopy (we will scan and return pictures with your paper registration certificate). Pictures submitted for registration **MUST BE** one (1) front picture and one (1) side picture. We will not post two pictures using the same view. Please note, pictures must be submitted within 45 days from receipt of this registration form before a registration will be considered valid. Please refer to our Registration Policies and Guideline for further information.

Under the rules of the GoatWorld Registration Program, the goat described on this page has been accepted for registration based upon the information provided by you, the owner of such registration. This registration will be issued in reliance on the truth of the statements submitted on the application for registry or transfer, but is in no event deemed a guarantee by GoatWorld. If a goat has been admitted for entry or transferred by error, misrepresentation, or fraud, such entries or transfers are void, together with any entries and transfers that may have been made of progeny of any such animals, and GoatWorld assumes no liability for damages arising from such entry or transfer. Changes to this certificate, either online or hardcopy must be approved and rendered by GoatWorld or this certificate will become null and void.

SIGNATURE OF REGISTERING OWNER: _____ DATE: _____
